

# Your 2021 Cosmic Shift

presented by The AstroTwins | [Astrostyle.com](https://astrostyle.com)  
for The Shift Network Winter Solstice Fest

# *A RARE COSMIC CONVERGENCE*

*DECEMBER 21, 2020*

winter  
solstice

ONCE PER YEAR

great conjunction  
of jupiter + saturn

ONCE EVERY 20 YEARS

# solstice

- is a moment to pause, stop “doing” and listen
- suspend ego, shed fixed notions of self
- change direction where needed

# *GREAT CONJUNCTION of 2020*

- Jupiter + Saturn meet at closest point since 1623
- Appear as a single bright star from earth
- Great Conjunctions only happen every 20 years
- Last one was May 2000 in Taurus, creating a cycle focused on the economy, material pursuits

# *JUPITER + SATURN*

*combine their superpowers*

## JUPITER

- Expansion
- Cross-cultural connections
- Growth
- Exploring new terrain

## SATURN

- Restriction
- Structure
- Long-term plans
- Expertise & leadership

# *From EARTH to AIR*

## THE AQUARIAN DECADE IS HERE

- The 2020 Great Conjunction is at 0°29' Aquarius
- Ends 200 years of Great Conjunctions in earth signs
- Next 150 years: Great Conjunctions will be in air signs
- Shift away from materialism, ownership, “mine” and “yours”
- Shift to innovation, technology, freedom, collective mindset
- Move toward “we” and “ours”

# SHIFT

## *FIRE SIGNS*

### ARIES LEO SAGITTARIUS

**You tend to be the star or leader, independent to a fault.**

**To shift into the Aquarian Decade, you can:**

- Adopt a communal mindset, share the power
- Play well with others—collaborate and delegate (explain the method to your mission!)
- Be more democratic than dictatorial
- Move away from doing/producing and start spreading a message

# SHIFT...

**ARIES**

**To a new crew  
of collaborators**

**LEO**

**To balanced and  
equal partnerships**

**SAGITTARIUS**

**To an inspiring  
new message**

# SHIFT

## *EARTH SIGNS*

### TAURUS VIRGO CAPRICORN

**You tend to be the workhorse and producer.**

**To shift into the Aquarian Decade, you can:**

- Put your pristine planning skills toward a world-bettering mission
- Consider societal and long-term impact, not just immediate security or financial needs
- Get comfortable with being uncomfortable...in the name of growth
- Try the 10/10/10 decision-making metric (how will this affect me in 10 minutes, 10 months, 10 years?)

# SHIFT...

**TAURUS**

**To soul-powered  
goals**

**VIRGO**

**To serving and  
empowering**

**CAPRICORN**

**To providing  
abundance for all**

# SHIFT

*AIR SIGNS*

GEMINI LIBRA AQUARIUS

**You excel at playing the diplomat and superconnector.**

**To shift into the Aquarian Decade, you can:**

- Allow yourself to be the “star” and to shine for the cause
- Speak your truth more often, even if others don’t agree or initially get it
- Give up placating and instead get comfortable with healthy disagreement
- Create spaces where people feel safely heard and respected—using your consummate communication skills!

# SHIFT...

**GEMINI**

**To taking risks  
and sharing**

**LIBRA**

**To speaking your  
truth with love**

**AQUARIUS**

**To being the voice  
of new ideas**

# SHIFT

## *WATER SIGNS*

### CANCER SCORPIO PISCES

**You nurture by nature and are often led by your emotions.**

**To shift into the Aquarian Decade, you can:**

- Use your intuitive and empathic gifts to help marginalized people be seen and heard
- Practice not reacting—pause and count to ten before responding
- Move beyond a need for comfort, and embrace the unfamiliar
- Teach others to fish instead of rushing in for the save. Empower, don't enable!

# SHIFT...

**CANCER**

**To trusting your  
intuitive power**

**SCORPIO**

**To leading with  
your heart open**

**PISCES**

**To viewing your  
sensitivity as strength**
